

List of materials

Fabric (height x width)

Vinyl/leatherette - 0.4m x 1.2-1.5m. (supplied)

Inner / lining fabric - directional fabric - 0.5m x

WOF OR non-directional fabric 0.3m x WOF

Medium weight woven interfacing (dimensions to match lining fabric)

Decovil light or bag stabiliser - 0.3m x WOF*(supplied)

Notions:

Thread - to match vinyl and to match lining fabric. For strength, bonded polyester is favoured. eg. **Tex 45**

3mm double side tape (DST)

Sewing needle 90/14 (optional - microtex needle)

Tools and equipment

Straight stitch sewing machine with accessories including 2 bobbins, machine manual, standard foot and zipper foot.

Cutting ruler (optional ruler gauge)

permanent pen and chalk marker

fabric clips

fabric scissors, paper scissors and optional pinking shears

Hand needle - round to sharp point, for working thread ends into/through vinyl (*eg. darning/sailmaker or tapestry needle - the larger eyed needle in an assortment in most cases will suffice*)

Bag hardware

2 of 3/4 inch D-rings/O rings

2 of 3/4 inch swivel hooks

1 of 3/4 inch slider

1m #5 zipper tape (sufficient for two bags)

2 of #5 zipper pulls

4 of 8x8 double cap rivets (supplied)
