

Requirements List

Bag making Workshop

- Sewing machine – any brand
- Power cord, foot control
- Scissors
- 30cm Fabric
- Teflon foot (if you have one)
- General sewing items
- General machine accessories
- Sewing thread

A kit will be provided to make the bag: Black marine Vinyl, Feet for the base, Magnetic closer, waterproof canvas for the lining, Foam, and interfacing. **NOTE:** The 30 cm fabric of your choice is for the front of the bag. There is a great selection of fabrics at The Perth Sewing centre if you would like to purchase the 30cm on the day.
